## Objective

---

Frontend Developer with 1+ years of experience building responsive, user-centric web applications using React.js, Next.js, and modern CSS frameworks. Proven experience in UI/UX design with Figma and experienced in delivering scalable, production-ready applications

## Experience

---

**SOFTWARE ENGINEER** – Frontend Developer

Centre for Digital Innovation & Product Development, Digital University Kerala

2024 - 2025

- Led end-to-end UI/UX design and development, converting Figma prototypes into responsive, production-ready interfaces using React.js, Next.js, and Tailwind CSS.
- Delivered **3 major public-facing platforms** (Wayanad Township, KARMASRI, Sreenarayanaguru Open University), implementing secure authentication, dashboards, and complex validations.
- Improved performance by adding **code-splitting, lazy loading, and optimized rendering**, reducing initial load times.
- Implemented **token-based authentication, protected routes, and sanitization** to prevent XSS/CSRF in all applications.
- Built scalable component libraries and maintained consistent **state management** across admin, sponsor, and student dashboards.
- Integrated REST APIs and third-party services, including real-time data for executive records and officer service details.
- Collaborated in Agile teams using Git/GitHub, participating in usability tests and iterative UI refinements to enhance user experience.

## Projects

---

**Personal Portfolio Website**

Website: [tamimi-portfolio.vercel.app](#)

- Designed and developed a modern, responsive portfolio using Next.js, TypeScript, Tailwind CSS, and Framer
- Showcases projects, skills, experience, and interactive animations with smooth transitions.
- Built reusable components, theme consistency, and optimized performance for fast loading
- Ensured fully responsive layouts for mobile, tablet, and desktop using Tailwind's responsive utilities

**Wayanad Rehabilitation Township Portal**

Website: [wayanadtownship.kerala.gov.in](#)

- Designed and built complete UI for the public portal and dashboards (Sponsor, Contractor, Admin).
- Implemented login, authentication, validations, and multilingual support.
- Integrated REST APIs and payment gateway; donation and sponsorship modules with preview flows

### **KARMASRI - Kerala Cadre AIS Officers' Resource Management and Service Interface**

(Confidential Project)

- Developed secure login, OTP verification, and role-based access flows.
- Built Officer & Admin dashboards covering Executive Records, Service History, and Personal Details.
- Ensured strict validations, password policies, and performance-optimized API handling.

### **Sreenarayanaguru Open University - Academic Management Portal**

Website: [erp.sgou.ac.in/login-candidate](http://erp.sgou.ac.in/login-candidate)

- Designed and developed the student dashboard with responsive layouts.
- Built modules for student profiles, courses, semesters, notifications, and exams.
- Ensured UI consistency and accessibility across academic interfaces.

## **Skills & abilities**

---

**Frontend:** Next.js, React.js, TypeScript, JavaScript, HTML / CSS, Tailwind CSS, Bootstrap, React Hooks, Context API

**Design:** Figma

**Tools:** VS Code, Git, GitHub, Postman

**Development Practices:** UI/UX principles, State management, Responsive design, Component-based architecture, API integration & data handling, Security best practices, Cross-Browser compatibility, Debugging, Performance optimization, Testing

**Soft Skills:** Communication, Problem-solving, Time management, Teamwork, Adaptability, Attention to detail, Collaboration, Continuous learning

## **Education**

---

**APJ Abdul Kalam Technological University, India.**

**2019 - 2023**

Bachelor of Technology, Computer Science and Engineering

## **Certifications**

---

**Foundations of User Experience (UX) Design**

**2025**

A course authorized by Google and offered through Coursera

**Python full stack development**

**2024**

JThread IT Training & Consultancy

## **Languages Known**

---

**English (Fluent), Malayalam (Native), Hindi (Professional Working Proficiency), Tamil (Basic)**
