PROFESSIONAL SUMMARY

Frontend Developer with 1+ years of experience building responsive, user-centric web applications using React.js, Next.js, and modern CSS frameworks. Skilled in creating reusable UI components, converting Figma designs into responsive interfaces, integrating REST APIs, and optimizing performance and SEO. Strong focus on clean code and scalable frontend architecture.

EXPERIENCE

FRONTEND DEVELOPER

SEPTEMBER 2024- PRESENT

Centre for Digital Innovation & Product Development, Digital University Kerala

- Designed and converted high-fidelity Figma prototypes into responsive, accessible UI screens.
- Developed scalable web interfaces using React, Next.js, Tailwind CSS, and JavaScript/TypeScript.
- Built reusable UI components and optimized performance with lazy loading and minimized re-renders.
- Integrated REST APIs and managed state for smooth data flow.
- Collaborated with designers and developers, performing code reviews and UI testing.
- Managed version control using Git/GitHub and followed Agile development practices.

SKILLS

Front-End Development

- React.js, Next.js, JavaScript (ES6+), TypeScript, Tailwind CSS, Bootstrap, HTML/CSS

Next.js Concepts

- SSR, SSG, CSR, Routing, Image Optimization, SEO

UX/UI Design & Prototyping

- Figma to Code Conversion, Responsive Design, Component-Based Architecture

APIs & Data Handling

- RESTful APIs, Axios, JSON, Data Fetching & Integration

Tools

- Git, GitHub, VS Code, Jira, Slack

Soft Skills

- Attention to Detail, Problem-Solving, Teamwork & Collaboration, Communication, Time Management, Adaptability, Continuous Learning

PROJECTS

KARMASRI - Kerala Cadre AIS Officers' Resource Management and Service Interface

- Developed a comprehensive management system for Kerala Cadre All India Services (IAS, IPS, IFS) officers.
- Built secure login, OTP authentication, and a complete verification flow.
- Integrated RESTful APIs for dynamic data handling and performance optimization.
- Developed modules for Executive Records, Service History, and Officer Profiles with strict validation rules.

WAYANAD REHABILITATION TOWNSHIP PORTAL

Link : <https://wayanadtownship.kerala.gov.in>

- Developed the full website interface, including the Home Page and dashboards for Sponsors, Contractors, and Admins, following modern UI principles.
- Implemented login, authentication, form validations, and a multi-language toggle to improve accessibility.
- Developed modules for sponsorships, contributions, and payment flows with conditional forms and previews

SREENARAYANAGURU OPEN UNIVERSITY – ACADEMIC MANAGEMENT PORTAL

Link: <https://erp.sgou.ac.in/login-candidate>

- Designed the Student Dashboard with responsive layouts.
- Built UI for student details, courses, semesters, admissions, notifications, and exam modules.
- Enhanced usability and visual consistency across academic and examination interfaces.

EDUCATION

BACHELOR OF TECHNOLOGY, COMPUTER SCIENCE AND ENGINEERING
